

The social ministry at Our Redeemer falls under the title of Human Concerns. With contributions of time, talent, and financial resources, we are able to provide many programs that assist members of our congregation and our community.

- We collect non-perishable food items for our in-house food pantry. This food is distributed to families in need within our congregation and also to members of the Solon/Twinsburg community. If you need short-term assistance please call the church office. We will be happy to give you a bag or two of food.
- During the Thanksgiving and Christmas holidays, we offer food baskets to members and community residents in need. We also support those in need with our Giving Tree program.
- We support foreign missionaries with our Penny-A-Day collections four times a year. Currently, our contributions go to the Heiney family in the African country of Guinea.
- We minister to our shut-in members, members of the military on active duty, and missionaries around the world with holiday care packages.
- We collect school supplies for a Lutheran elementary school on the near east side of Cleveland.
- We distribute food, clothing, and toiletries to the homeless in downtown Cleveland each month in our Hearts for Hunger program.
- We deliver clothing, household items, and toys to El Buen Pastor church each month for distribution to families in need in our Circle of Life program.
- We make afghans to warm both the body and the heart of those in need through the Warm Up America program.
- We volunteer to sit with home bound members in our newest program, Helping Hands, so a spouse or care-giver can leave the house to run errands, keep appointments, or attend Church or Bible study.
