Photo Permission - Our Redeemer Lutheran Church Preschool has developed a website for people to learn about our preschool. We also use a display of pictures to take to Early Childhood PTA's when we are invited to join other preschools in talking about our program. Also at times will be using pictures of our preschool activities to let the communities know what activities our students are participating in (Donuts with Dad, Bike-A-Thon, Little Hearts for Hunger, etc.) We would like to use your child's picture in these situations. ORLC Preschool takes the privacy and protection of our students very seriously. By signing this permission slip, you are agreeing to let your child's picture be displayed. We will do everything possible to make sure that your child's privacy and safety is upheld. The following guidelines have been put in place to ensure your privacy.

- No child/adult last name with picture will be put on the website or display
- Only first names will be used to protect your children (when it is necessary to print last names, we will contact you for your approval).

By signing below you give Our Redeemer Preschool permission to use your child's picture for the above mentioned uses.
