

Our Redeemer Lutheran Church Pre-School

"Train a child in the way he should go..."

Proverbs 22:6

Redeemer Reader September 2008

Dear Parents,

Welcome to all of our preschool families! We hope that you and your child enjoyed meeting your teachers and visiting the classroom.

During this first month of school, all of the classes will focus on making friends, learning proper school manners, and adjusting to preschool in general.

Every year we join the church in the ministry of "Hearts for Hunger". We are the "Little Hearts for Hunger", and each month we bring in a donation of items needed for the homeless. ORLC works along with other organizations to provide lunch and necessary items for the homeless. We will be asking for items each month. This month we are asking for disposable razors. This ministry is a good way for our students to learn to spread God's love and to help others. Over the years, our students have been very excited about going to the store and picking up items to donate. We have a special collection box that students have decorated to place in their donations.

The list for this year:

| | |
|-----------|--|
| September | Disposable Razors |
| October | Toothbrushes and/or plastic toothbrush holders |
| November | Toothpaste |
| December | Socks – men's white tube socks |
| January | Shaving Cream |
| February | Deodorants |
| March | Hand Sanitizers |
| April | Socks – men's white tube socks |
| May | Bottled water – approximately 18 oz. bottles |

Happy School Year!

Mrs. Berger
