

ORLC RECYCLES

Help support the preschool by recycling in the large green bin in the back of the parking lot. We are paid by the ton and the more paper we recycle, the more we earn.

You may add the following items to the bin: newspapers, magazines and catalogs, junk mail and envelopes, computer paper, self stick notes, posters, folders, fax paper and we are now accepting phone books.

Do not place the following in the container: laminated paper, food wrappers, cardboard, plastic, metal or glass.

We also recycle ink jet and laser printer cartridges. The recycle container for this is located in the welcome center near the LWML Nook.

We thank your continued support to the ORLC Preschool with your recycling efforts.
